### AMENDMENT

Assistant Commissioner of Patents  
Washington, DC 20231

September 13, 2001

Sir:

In response to the Office Action dated August 13, 2001, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

#### ***In the Specification:***

Please replace the specification with the attached Substitute Specification.

#### ***In the Claims:***

Please cancel claims 32 and 33.

Please amend the claims as follows.

1. (Amended) A method for isolating from a target plant species a target polynucleotide encoding a target polypeptide comprising a conserved region exhibiting at least 70% sequence
